

Rumplestiltskin

On Sunday 20th November 2005 I went to see Rumplestiltskin with my mum and dad and my sister Rude Gal, Ben Jammin, Ben Swift and Ill Boogs. We met Isla and her mum Polly at the Merton Abbey Mills market near the place where we went to see Rumplestiltskin and after we got everything that we needed we went in to get the seats. After we got the seats the show started and this funny man came up and the man that came up was the father of Sarah. She was the daughter of the man.

We went to see Rumplestiltskin because Zia (B2R/Sinstars) was in it. He was the character of the King in it.

Then after the father and Sarah came up the King came up to see them and when the King came up the man said, 'my daughter can make gold out of straw!'

And then the King took Sarah to his castle and said to her, 'here is your place to work in and if you don't do it you will go in the dungeon where it is dark!' Then he said 'here is your straw I will be back tomorrow to see you.'

Then in the night a strange thing came in and that thing was Rumplestiltskin and when he came up he said 'I can make gold out of straw but if you want me to make gold out of straw then you will have to give me your necklace' and when he said that Sarah gave her necklace to him then he started to make the gold. The next day the King came and he was amazed at what he saw...

'Wow did you do this by yourself?'

and she said 'what by myself?'

'All this gold!'

'What gold?' she said

'This gold!'

'Why no.'

'You did a good job'

'but I did'nt make this gold.'

'Here is two more sacks of straw if you don't make the gold by tomorrow you will go in the dungeon.'

Later Rumpelstiltskin came in again he would still not tell his name to Sarah. 'I will make the gold out of straw if you give me your ring.'

The next day when the King came he said, 'you've done a good job' and said the same thing as normal. Sarah got three more sacks of straw and she still couldn't make the gold. She tried, tried and tried but nothing happened. Then the funny thing came in again. It was Rumpelstiltskin, and he didn't want her jewellery this time...

The funniest thing that happened was when Sarah had to guess his name and her father came in and said his name and he got it right and then Rumpelstiltskin got in a mood and stamped around. When the father had to go off stage into the audience, he said to Ill Boogs 'What is your name?' and he said 'Rob' and then the father named him a different name and it was Garibaldi. We all laughed at Ill Boogs and he was really embarrassed! When Sarah had the baby at the end, Zia who was the King wanted to name him Michael Jackson and Sarah was not impressed. I had a brilliant time watching it.

The end.
